

I am writing to urge you to not allow new LPFM stations to take priority over existing stations on FM translators. My family, friends and I listen to K-LOVE on a translator station.

We are opposed to any action that would prevent us from hearing our favorite station. KLOVE provides the only local means of Christian music that appeals to a wide audience, including rock and contemporary. This is critical to youth, teens, and adults alike. There is none other like it in our area. It would be a grave disservice to impact listener supported KLOVE in this manner. As a proud supporter of KLOVE, I strongly encourage you to take whatever steps necessary to protect the existing FM translators. We simply can not afford to lose this service.

On behalf of the many local supporters,
David Schlotman
